
Error mod_Jaxtr.zip

Posted by zonekidx - 2008/06/25 14:02

I'm trying to install the module but I mod_Jaxtr.zip returns an error during installation on Joomla 1.0.15
Warning: copy(/home/sito/public_html/modules/images/mod_Jaxtr.png) : failed to open stream: No such file or directory
in /home/sito/public_html/administrator/components/com_installer/installer.class.php on line 360

Well for one it will not load onto Joomla 1.0, and the link above takes you to download 1.5. Very confusing. Unfortunately I tried both versions and neither install.

Hopefully it gets fixed.

hi,

that link is to solve zonekidx's problem in Joomla 1.5.x.

Joomla 1.0.x should not have this issue, you can download from here
