
mod - or browse in 35 languages

Posted by nightwolf38 - 2010/01/18 06:49

hi there.

i installed that mod and it`s a very nice tool. but i need the language türkish in there. is it possible to ad that language?
tx & regards from germany,
thorsten

hi,

thanks for the feedback. you can download the latest version 1.1, added new language support for Afrikaans, Irish, Thai and Turkish
